Wines & Gifts From Around the World

The image shows a wine cellar with a hand-painted Tuscan mural on the ceiling. The mural depicts a landscape with a large tree, a stone path, and buildings. The wine cellar has dark wood shelving with wine bottles. There are labels for 'United States' and 'Australia'. A round table in the foreground holds several bottles of wine, a silver bucket, and glasses. The word 'Specialties' is written in a large, white, cursive font across the top of the image.

Specialties

Our buyers have gone to the ends of the earth for rare, limited and hard-to-find wines and special vintages. The Specialties cave, featuring a hand-painted Tuscan mural, holds many highly rated and boutique wines. UV-filtered lighting, temperature and humidity controls take special care of wine from the storage cellars to the education rooms.
